

Friends of Austin City Limits

This year marks the 46th Season of *Austin City Limits*; America's longest running live music performance program on television and recipient of the rare Institutional Peabody Award for excellence and outstanding achievement. Each taping season features approximately 18-20 live performances before an intimate crowd. Austin PBS provides access to these live performances and other exclusive invitations, through the Friends of Austin City Limits program as a thank you for your annual membership contribution to Austin PBS.

Due to the popularity and low turn-over in the program, all levels of Friends of ACL are at capacity and waitlisted, both to join as new members or to upgrade levels as existing members. Access into the Friends of ACL program is offered in one of our two entry-levels, *Friends with a View* or *Friends Up Front*. Current donors within the Friends program are then eligible to be placed on an upgrade waitlist to fill space in other levels as they become available. Join the [waitlist online here](#).

Membership Packages & Benefits

All members of Friends of ACL receive the following benefits:

- Invitations to exclusive Austin PBS Major Donor events.
- Pre-sale to Austin PBS' annual benefit concert ACL Hall of Fame Induction & Ceremony.
- Recognition in the end of season commemorative program and [online here](#).
- First-in access to the hottest stage in town and the warm and fuzzes knowing you are supporting Austin PBS, providing your community with access to quality content, community services and public events.

\$5,000 Friends with a View (Entry Level):
